2. No members of TFF will receive any monetary benefits other than reimbursement of expenses as described in the Bylaws, Article X, Sec. I C.
3. The current and prospective Board of Directors of The FAWCO Foundation (the Board), the Development Grant Administrator, Education Awards Administrator and Target Project Fundraiser, their children and grandchildren, are not eligible for awards. The current members and prospective members of the Boards of Directors of FAWCO and FAUSA, their children and grandchildren are not eligible for awards.
4. No funds may be used for propaganda, attempting to influence legislation or campaigning for candidates for public office in any country.

In the case of six voting Board members, a quorum is defined as four, in person or by proxy.

BOARD OF DIRECTORS (Bylaws, Article IV)

POLICIES

- Conflict of Interest Policy
- Non-Disclosure/Confidentiality Policy
- Reporting Fraudulent or Dishonest Conduct Policy
- Reimbursement of Travel Expenses Policy
- Document Retention Policy
- Programs Sponsorship Policy

All Board members will be required to sign the Acknowledgement of Policies, a comprehensive document covering all of these policies, acknowledging that they have read and understand each of the policies. Board members will sign this document at the beginning of each term that they serve on the Foundation Board.

The Acknowledgement of Policies will also be distributed to the Development Grant Administrator, DG Committee, Education Awards Administrator, the EA committee, the Donor Development Coordinator and any volunteers assisting TFF, on the recommendation of the Treasurer or President. These volunteers will be bound by the Acknowledgement of Policies while they are assisting TFF.

All TFF Policies are outlined below:

The FAWCO Foundation Conflict of Interest Policy

Part I: Purpose

1. The purpose of the conflict of interest policy is to protect TFF’s interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of a Board member of TFF or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflicts of interest applicable to nonprofit and charitable organizations.
2. TFF is an all-volunteer organization. No Board member or member of a committee receives salary or any compensation for his or her work with TFF.

Part II: Definitions

1. Interested Person

Any Board member or member of a committee with Board-delegated powers who has a direct or indirect financial interest, as defined below, is an interested person.

2. Financial Interest

A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

- a. An ownership or investment interest in any entity with which TFF has a transaction or arrangement.
- b. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which TFF is negotiating a transaction or arrangement.

3. Other Considerations

- a. No Board member or member of their family, including grandchildren, may be considered for any TFF Education Awards while they are serving on the Board.

- b. The Education Awards Administrator, members of the EA committee and members of their families, including grandchildren, may not be considered for any TFF Education Awards while they serve on the committee.

Part III: Procedures

1. Duty to Disclose

In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the Board and members of committees with Board-delegated powers considering the proposed transaction or arrangement.

2. Determining Whether a Conflict of Interest Exists

After disclosure of the financial interest and all material facts, and after any discussion with the interested person, the Board member shall leave the Board meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Board or committee members shall decide if a conflict of interest exists.

3. Procedures for Addressing the Conflict of Interest

- a. An interested person may make a presentation at the Board meeting, but after the presentation, they shall leave the meeting during the discussion of, and vote on, the transaction or arrangement involving the possible conflict of interest.
- b. The Board President shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- c. After exercising due diligence, the Board shall determine whether TFF can secure, with reasonable effort, a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- d. If a more advantageous transaction or arrangement is not achievable, the Board shall determine by a majority vote of the disinterested Board members, whether the transaction or arrangement is in TFF's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, it shall make its decision as to whether to enter into the transaction or arrangement.

4. Violations of the Conflicts of Interest Policy

- a. If the Board has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
- b. If, after hearing the member's response and after making further investigation as warranted by the circumstances, the Board determines that the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

Part IV: Records of Proceedings

1. The minutes of the meetings of the Board and all committees with Board-delegated powers shall contain:

- a. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the Board or committee's decision as to whether a conflict of interest in fact existed.
- b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

Part V: Annual Statements

1. Each Board member and member of a committee with Board-delegated powers shall annually sign a statement that affirms such person:
 - a. Has received a copy of the conflicts of interest policy,
 - b. Has read and understands the policy,
 - c. Has agreed to comply with the policy, and
 - d. Understands TFF is charitable and that in order to maintain its federal tax exemption, must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

Part VI: Periodic Reviews

1. To ensure TFF operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall include whether partnerships, joint ventures, and arrangements with management organizations conform to TFF's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in advantage, impermissible private benefit or in an excess benefit transaction.
2. **Use of Outside Experts:** TFF may use outside advisors. If outside experts are used, their use shall not relieve the Board of its responsibility for ensuring periodic reviews are conducted.

The Non-Disclosure/Confidentiality Policy

It is the policy of the FAWCO Foundation that board members and volunteers of The FAWCO Foundation will not disclose confidential information belonging to, or obtained through their affiliation with, The FAWCO Foundation to any person (this includes relatives, friends and business associates) unless The FAWCO Foundation has authorized disclosure. This policy is not intended to prevent disclosure where disclosure is required by law. Board members and volunteers are cautioned to demonstrate professionalism, good judgment, and care to avoid unauthorized or inadvertent disclosures of confidential information and should, for example, refrain from leaving confidential information contained in documents or on devices in plain view. Board Members and volunteers should use security precautions on electronic devices. Upon the end of a Board member's or volunteer's term, they shall return all documents, papers and other materials that may contain confidential information.

Reporting Fraudulent and Dishonest Conduct Policy

Part I: Purpose

1. Maintaining high standards of conduct and ethics is vital to TFF. All Board members, administrators and coordinators are encouraged to report fraudulent or dishonest conduct (i.e., to act as a "whistleblower") pursuant to the procedures set forth in the next section.

Part II: Procedure

1. Reasonable concern about fraudulent or dishonest use or misuse of TFF resources or property should be reported directly to the President or the Counselor Liaison and should contain enough information to substantiate the concern and allow an appropriate investigation to begin. Reports may be submitted anonymously.

2. Appropriate action will be taken in response to reports. All reports received will be acted upon in confidence when possible, given legal requirements and the need to gather facts, conduct an effective investigation and take necessary corrective action.
3. Reasonable care will be taken in dealing with suspected misconduct to avoid baseless allegations, premature notice to persons suspected of misconduct, disclosure of suspected misconduct to persons not involved with the investigation and violations of a person's rights under the law.

Part III: Whistleblower Protection

1. TFF will use its best efforts to protect whistleblowers against retaliation. Whistle-blower complaints will be handled with sensitivity, discretion and confidentiality to the extent allowed by the circumstances and the law. Whistleblowers who believe that they have been retaliated against for reporting an activity, which that person believes to be fraudulent or dishonest, may file a written complaint about such retaliation with the President or the Counselor Liaison.
2. Any complaint of retaliation will be promptly investigated, and where allegations are substantiated, corrective action will be taken. This protection from retaliation is not intended to prohibit Board members from taking disciplinary action against individuals who report baseless allegations.

Reimbursement of Travel Expenses Policy

Part I: Purpose

1. Board members will incur travel expenses during the course of fulfilling their duties as outlined in the Bylaws of The FAWCO Foundation Article X, Sec. 1.C. and Administrative Guidelines. This policy describes the expenses that are allowable within the context of mandated travel and the limits on reimbursement.

Part II: Procedure

1. In accordance with the Bylaws (Article X Sec. 1.C), expenses connected with Board members attending FAWCO Conferences/Interim Meetings ("IM"), TFF Annual and Interim Board meetings, plus Regional Meetings (as applicable) shall be reimbursed to the amount approved in the annual budget. Reimbursement for any expenses beyond the budgeted amount must follow the appropriate approval process per the AGs.
 - a. Board members' Conferences/IM fees will be covered by TFF.
 - b. Reasonable transportation costs for direct travel to and from official Board meetings and FAWCO Conferences/IMs attended will be reimbursed. TFF will reimburse economy airfare, at the lowest reasonable cost. Board members must make every effort to book well in advance to obtain the lowest fares possible or provide proof of the market rate for an economy fare.
 - c. Accommodation will be reimbursed based on double occupancy of a standard room. If a member opts for a single room, the reimbursement will be half the cost of a standard double room. Board members must apply for reimbursement through the approved process.
 - d. If it is decided that the President should rent a hotel suite, as this proves to be the most economical and efficient solution for conducting the Board meetings, this expense will be reimbursed.
 - e. The President, or a designated Board member, attending Regional Meetings will be reimbursed for transportation and meeting fees only. Accommodation costs may be reimbursed when in-home accommodation cannot be provided by the host club. The yearly combined total Regional Meeting reimbursement will not exceed the approved annual budget.
 - f. The cost of working lunches will be reimbursed.

2. Approved transportation expenses will be reimbursed for the President attending FAWCO annual interim Board meetings. The FAWCO President, attending TFF's AIM, will have her working meals covered by TFF. This is a *quid pro quo* arrangement with FAWCO.

The FAWCO Foundation Document Retention Policy

Part I: Purpose

1. In accordance with the Sarbanes-Oxley Act, which makes it a crime to alter, cover up, falsify or destroy any document with the intent of impeding or obstructing any official proceeding, this policy provides for the systematic review, retention and destruction of documents received or created by TFF in connection with the transaction of its business. All TFF Board members, Board appointees and volunteers should read this policy and follow the timetable and guidelines.
2. This policy covers all records and documents, regardless of form (including electronic documents), and contains guidelines for how long certain documents should be kept and how records should be destroyed. The policy is designed to ensure compliance with federal and state laws and regulations, to eliminate accidental or innocent destruction of records and to facilitate the operations of TFF by promoting efficiency and freeing up valuable storage space.
3. TFF takes seriously its obligations to preserve information relating to litigation, audits, investigations and its history.

Part II: Documentation Retention Policy

1. The Document Retention Policy identifies the record retention responsibilities of members of the Board and outsiders for maintaining and documenting the storage and destruction of TFF's documents and records.
2. TFF's Board members, volunteers, committee members and outsiders are required to honor the following rules:
 - a. Documents indicated under the terms for retention in the Document Retention Schedule will be placed in the "Documents for Archive" folder by Board members and transferred to the Archive by the Archivist.
 - b. A document required to be retained in paper can be printed from the electronic version when needed or shall be kept by the President.
 - c. Accounting records must be backed-up periodically by the Treasurer to an external hard drive and required reports transferred to Archivist at intervals prescribed by the Document Retention Schedule.
 - d. All electronic documents shall be stored in two locations – in a "cloud-based" archive and on TFF's portable external hard-drive, backed-up monthly by the Secretary.
 - e. All paper documents will be converted to electronic documents.
 - f. Email correspondence that falls under any of the categories described in the Document Retention Schedule should be copied into a document and moved to each Board member's "Documents for Archive" folder.
 - g. To comply with government auditing standards, no paper or electronic documents will be destroyed or deleted until the retention period has been fulfilled.
 - h. From time to time, the President may issue a notice, known as a "legal hold," suspending the destruction of records due to pending, threatened or otherwise reasonably foreseeable litigation, audits, government investigations or similar proceedings. No records specified in any legal hold may be destroyed, even if the scheduled destruction date has passed, until the legal hold is withdrawn in writing by the President.

- l. All other electronic documents will be deleted from all individual computers, databases, networks and backup storage after one year.
- j. All documents in the Archive will be stored in PDF format or accessible to the Board as “read only” to prevent changes to archived material.
- k. Documents to be archived should be placed in a “Documents for Archive” folder (located in each Board member’s document storage area in the Company Drive in Google Drive).
- l. TFF’s Archive is a resource for the Board members and is freely accessible to them. However, archived documents should not be shared as Google documents or downloaded and sent *to anyone outside of TFF* (ie. not including TFF volunteers). The President has to give permission to share documents outside of TFF.

Part III: Document Retention Schedule

The information listed in the Document Retention Schedule (see [Document Retention Schedule](#) in Addenda) is intended as a guideline and may include documents not currently maintained by TFF and may not contain all the records TFF may be required to keep in the future. Questions related to the retention of documents not listed in the Document Retention Schedule should be directed to the President.

Part IV: Core Document Retention Concepts:

1. A "document" includes all document and data types we work with (paper, email, documents, spreadsheets, PDF files, photographs, databases, etc.).
2. Retention is based on the content's function and not the format.
3. Legal obligations and/or long-term critical business needs determine retention times.
4. The Document Retention Policy applies to all members, volunteers and employees of TFF.
5. Generally, 80% of the documents and data generated don't have legal obligations or business needs that require long-term retention.
6. Keeping documents longer or shorter than established retention times actually hinders document retention compliance.

How To Be Compliant

1. Read, understand and comply with the Document Retention Policy and Schedule.
2. Let go of "just in case" retention - think about the purpose for keeping a document before you just keep it.

Considerations:

 - a. Is TFF legally obligated to keep the documentation?
 - b. Does the documentation support a key organizational decision?
 - c. Is it a critical project document?
 - d. Is it a working document vs. a final version?
 - e. Is it a duplicate/convenience copy?
 - f. Is it of historical interest and worth keeping as such?

The Programs Sponsorship Policy

Part I: Purpose

1. TFF supports the philanthropic goals of FAWCO by developing, administering and fundraising for programs that improve the lives of women and children worldwide. The success of the programs relies on a fundraising strategy that is heavily dependent on donations from FAWCO Member Clubs, their members and others. The “Program Sponsorship Policy” outlines how TFF acknowledges its donors.

Member Clubs and individual donors are encouraged to read this policy to understand their options when making a donation.

2. TFF encourages clubs and individuals to sponsor our programs. Each program provides options for full and partial sponsorships. Sponsorship will not be announced or counted in the donation total until the funds are deposited in TFF's accounts.

Part II: Procedure

Development Grants

The purpose of our Development Grant Program is to fund projects that can make an immediate impact on, and lead to success for the people that the projects support. The grant categories are aligned with the UN Sustainable Development Goals. There are four Development Grant categories: Health, Education, the Environment and Human Rights. The number of grants offered and the value of the grants may be changed with the approval of the Board.

Sponsorship Options:

1. Full Sponsorship

If an individual or club fully underwrites a Development Grant, the name of the grant will appear as follows:

**The American Women's Club of Wherever (or individual's name)
Development Grant**

- a. The donation, or donation commitment/pledge, should be made by June for the club to be considered eligible as a sponsor for a Development Grant for the following year. The sponsorship is not finalized until TFF Treasurer receives the full donation.
- b. If a donation is made to fully sponsor a grant and TFF Board later increases the amount of the grant, TFF may supplement the donation to meet the grant amount. The grant is then considered to be fully sponsored.

2. Partial Sponsorship

A club or an individual may become a sponsor "in part" of a Development Grant for a minimum donation of \$1,000. If a club or individual partially sponsors a Grant, the name of the club or individual will appear as follows:

**The (Grant Name) sponsored in part by the American Women's Club of
Wherever (or individual's name)**

- a. The donation or donation commitment/pledge, should be made by June for the club or individual to be considered eligible as a sponsor for a Development Grant for the following year. The sponsorship is not finalized until TFF Treasurer receives the minimum donation of \$1,000.

8

**The (Grant Name) sponsored in part by the American Women's Club of
Wherever and the American Women's Club of Another Place**

- c. Upon receipt of donations, TFF President will coordinate with the clubs or individuals to determine which grant they will sponsor. TFF will make every attempt to align sponsorship with the club or individual's desired choice of grant but this is not guaranteed.

3. New Development Grant

- a. If a donor wishes to sponsor a grant in a different or more specific field, they must fully fund it and submit a brief proposal to the VP Programs.
- b. The proposal will be put before TFF's Board for final approval.

- c. The rules, regulations and administration regarding the Development Grant are the sole responsibility of TFF.

Education Awards

The importance of fostering peace through knowledge and the belief that education is essential to developing peace-loving attitudes in children are the cornerstones of TFF Education Awards Program. Our Education Awards Program offers annual awards to FAWCO Club Members, FAWCO Individual Members and FAUSA Members as well as their children and grandchildren. The number and value of the awards shall be reviewed annually and approved by the TFF Board.

Sponsorship Options:

Sponsorship is not finalized until TFF’s Treasurer receives the full donation.

2. Partial Sponsorship

A club or an individual may become a sponsor “in part” of an Education Award for a minimum donation of \$1,000. If a club or individual partially sponsors an Education Award, the name of the club or individual will appear as follows:

The XX Award sponsored in part by the American Women’s Club of Wherever (or individual’s name)

- a. The donation, or donation commitment/pledge, should be made by June for the club or individual to be considered eligible to sponsor an award “in part” for the following year. The sponsorship is not finalized until TFF’s Treasurer receives the **minimum** \$1,000 donation.

The XX Award sponsored in part by the American Women’s Club of Wherever and the American Women’s Club of Another Place

3. New Education Award

If a donor wishes to sponsor an Education Award in a different or more specific field, a brief proposal must be submitted to the VP Programs. The proposal will be put before TFF’s Board for final approval. In addition to the guidelines above:

- a. Academic Awards are only for children of FAUSA, FAWCO Club Members and FAWCO Individual Members.
- b. Dual Cultural Award is for children and grandchildren of FAWCO Club Members, FAWCO Individual Members and FAUSA Members.

5. A Target Project nomination may not be submitted simultaneously for a Development Grant with the notable exception outlined below.

8. All ballots are electronic and must be submitted online one week prior to the scheduled announcement of the Development Grant recipients.

15. The nominating FAWCO organization is responsible for obtaining two progress reports from the grant recipients. The deadlines are December of the DG award year and the following June. These reports must be submitted to the Development Grants Administrator.

The FAWCO Target Program

The purpose of the Target Program is to demonstrate the power of FAWCO Clubs working together toward a common goal in order to increase knowledge and awareness of global issues affecting women and girls as part of the UN Sustainable Development Goals. This

program follows a three-year cycle of issue awareness and education, project selection, fundraising, project monitoring, review and evaluation. TFF is a full partner in the Target Program and serves as the fundraising body for the Target Project.

First phase (one year):

1. Program is launched during a FAWCO Conference/IM session with the announcement of the selected area of interest and the Target Program Chair.
2. TFF appoints a Target Fundraising Coordinator (TFC).
 - a. VP Fundraising works with the President to recruit a TFC to serve for the duration of the Target Project, approximately two years.
 - b. The recruiting discussion begins at the Board meeting after the FAWCO Conference/IM in which the new Target Program is announced.
3. TFF provides input into the fundraising goal and project selection process.
 - a. TFF's recommendation for the Target Program fundraising goal is based on previous Target Programs' Deep Dive Analyses and the latest VP Fundraising/TPC's Final Target Fundraising Report.
 - b. VP Programs serves on the Target Project Selection Committee.
 - c. TFF ensures that the Statement of Agreement for the Application Packet is updated and correct based on the previous Target Fundraising cycle reports.
 - d. FAWCO is accountable for receiving and vetting applications during the Project Selection phase and managing the voting process with FAWCO Member Clubs.
4. The TFC and VP Fundraising work with the FAWCO Target Chair to prepare for the launch of the fundraising campaign. When the recipient of the Target Project is named at the Conference/IM, this is the formal kick-off for the fundraising project. This includes the launch of marketing, sales and communication plans and budget.

Second phase (two years):

1. The FAWCO Target Chair (FTC) and the TFC work together as a team.
 - a. FAWCO remains accountable and responsible to work with Member Clubs and act as the single point of contact with the selected project.
 - b. FTC and TFC meet regularly for information exchange.
 - c. TFC, in coordination with VP Fundraising and Treasurer, provides Target Project Fundraising reports.
 - d. TFC, with the approval of VP Fundraising and TFF President, presents Target Project updates in conjunction with the FTC at FAWCO Conferences/IMs.
 - e. It is important to note that many Member Clubs have their own philanthropy strategy which includes Target donations. TFF is not responsible for managing Member Club activities.
2. TFF, in cooperation with the TFC, develops a campaign to augment and strengthen those activities through fundraising ideas, Women Backing Women, matching grants, etc.
3. Typical activities include:
 - a. Conducting a workshop at the Conference/IM when the project is announced
 - b. Developing sales kits and promotions for FAWCO Reps
 - c. Conducting Target fundraising activities during FAWCO Conferences/IMs or Regional Meetings
 - d. Communicating fundraising initiatives and progress via website, Facebook, TFF's News, monthly Target Bulletins, and the FAWCO News in Brief, etc.
 - e. Working with the VP Communications to ensure that Member Clubs' contributions are acknowledged via a Target Medallion and overall fundraising progress is exhibited on our webpages (ex: charity thermometer)
4. An essential TFC function is to utilize a fundraising tracking mechanism for donations that enables TFF to analyze donor information for reports and to acknowledge individuals and clubs. This is an ongoing analysis which provides the data for the "Deep Dive" report.

- a. The Treasurer plays a key role in recording and reporting donations to the designated Target team and quarterly disbursements to the Target Project.
 - b. The “Deep Dive” report is the basis for the End of TP Fundraising Report. It is prepared at the end of the Target Program and presented first to TFF Board for review and then to the Target Program Review Committee.
5. A final report is developed by the Target Program Review Committee based on experience, reporting and post-project meetings with the FAWCO Target Chair. Either the VP Fundraising or TFC should be on this Committee.

Process for Email Voting

2. A Board member seconds it - in the interest of simplifying the process and cutting down on the number of emails, easiest to have the Secretary automatically send this out.
3. President then calls (emails) for discussion and/or vote depending on any previous discussion or emails prior to the motion.
 - a. Should it be an emergency vote and the President is unable to make this call (email) due to unavailability, VP Communications is authorized to send out the "discussion" email.
 - b. Should the President be unable, for technical reasons, to send the "call for discussion/vote," she can communicate by other means with any Board member to send it on her behalf.
4. All Board members, except the President, then vote.

- a. A quorum must be met.
- b. If there is a tie, the President will cast her email ballot.
- c. Proxies are valid but must be shown through an email vote by the designated proxy. This vote may be within the same email as the casting Board member's vote. Ex: Secretary holds VP Program's vote and VP Program is on safari so unreachable for an emergency vote. Secretary's email will state -
"I approve/vote yes. [Then spaced down on a separate line] I approve/vote yes on behalf of VP Programs as their proxy."
